February 14, 2011

Data submittal reminder letter sent to partners

March 1, 2011

Submittal Deadline

March 2, 2011

- Partners that did not submit data by the March 1 submittal deadline are suspended
- Suspended partners are removed from the Manufacturer Lists on the ENERGY STAR website
- Suspended partners' qualified products are removed from the ENERGY STAR website during the next update cycle

March 4, 2011

Suspension letters sent to partners that did not submit data by the March 1 deadline

March 31, 2011

Final Submittal Deadline

April 1, 2011

- Suspended partners that submitted data by the March 31 final submittal deadline are reactivated
- Suspended partners are added back on the ENERGY STAR website's Manufacturer Lists
- Suspended partners' qualified products are added back on the ENERGY STAR Qualified Product Lists during the next update cycle
- Suspended partners that did **not** submit data by the March 31 final submittal deadline are terminated
- Terminated partners must immediately cease using the ENERGY STAR name and mark in association with the company name and products

Note: Terminated partners can rejoin ENERGY STAR by submitting:

1) Required unit shipment data for calendar year 2010
2) Partnership Agreement
