

Bibliography

CEE's National Municipal Water and Wastewater Initiative

Alliance to Save Energy. *Watergy: Taking Advantage of Untapped Energy and Water Efficiency Opportunities in Municipal Water Systems*. Washington D.C.: Alliance to Save Energy.

AWWA Research Foundation: *The 2003 Project Summary Book*. Denver, Colorado: AWWA, 2003.

AWWA Research Foundation. *Drinking Water Research*. Vol. 14. Denver, Colorado: AWWA, 2004.

AWWA Research Foundation. *Annual Review 2003*. Denver, Colorado: AWWA, 2003.

AWWA. *Water and Wastewater Industry Energy Efficiency: A Research Roadmap*. Denver, Colorado: AWWA, 2004.

Burton, Franklin and Electric Power Research Institute. *Water and Wastewater Industries: Characteristics and Energy Management Opportunities*. St Louis, Missouri: EPRI, 1996.

CH2M Hill Inc. *On-line Process Monitoring and Electric Submetering at Six Municipal Wastewater Treatment Plants*. New York: NYSERDA, 1998.

Cohen, Ronnie, Barry Nelson and Gary Wolff. *Energy Down the Drain*. NRDC, 2004.

Elliott, Todd, Benjamin Zeier, Irene Xagorarakis and Gregory Harrington *Use at Wisconsin's Drinking Water Utilities*. Madison, Wisconsin: University of Wisconsin, Madison, 2002. (Available through Energy Center of Wisconsin and Wisconsin Focus on Energy)

Energy Conservation Task Force of the Water Environment Federation. *Energy Conservation in Wastewater Treatment Facilities*. Alexandria, VA: Water Environment Federation, 1997.

EPRI. *Municipal Water and Wastewater Program*. St. Louis, Missouri: EPRI, 2001.

EPRI. *Energy Audit Manual for Water/Wastewater Facilities*. Palo Alto, California: EPRI, 1994.

EPRI. *Community Environmental Center*. Palo Alto, California: EPRI, 1996.

EPRI. *Quality Energy Efficiency Retrofits for Water Systems*. Palo Alto, California: EPRI, 1997.

EPRI. *Quality Energy Efficiency Retrofits for Wastewater Systems*. Palo Alto, California: EPRI, 1998.

ICF Consulting: *Water and Energy: Leveraging Energy Efficiency Initiatives to Improve Water Use Efficiency*. Washington, D.C.: Climate Protection Partnership Division. U.S. EPA, 2004.

Iowa Association of Municipal Utilities. *Energy Consumption and Wastewater in Iowa*. Iowa: IAMU, 2002.

Jacobs, John, Thomas A. Kerestes and W.F. Riddle. *Best Practices for Energy Management*. St. Paul, Minnesota: AWWA Research Foundation, 2003.

James, Kevin, Stephanie Campbell and Christopher Godlove. *Watergy*. Washington D.C.: Alliance to Save Energy, 2002.

King County Department of Natural Resources & Agencies. *Mutli-Agency Benchmarking Project-Executive Summary*. King County Department of Natural Resources & Agencies, 1999.

M/J Industrial Solutions. *Municipal Wastewater Treatment Plant Energy Baseline Study*. San Francisco, California: Pacific Gas and Electric Company, 2003.

NYSERDA. *Wastewater Treatment and Sludge Management*. New York: NYSERDA, 1995.

Nexant. "Section 8: Water Agency Program Elements." California Energy Commission Peak Load Reduction Programs Fourth Quarter 2002 Report. California: California Energy Commission, 2003. 8-1—8-40.

Pakenas, Lawrence J. *Energy Efficiency in Municipal Wastewater Treatment Plants*. New York: NYSERDA, 1995.

Quantec. *BacGen Market Progress Evaluation Report. No. 3*. Portland, Oregon: Northwest Energy Efficiency Alliance, 2004.

Quantum Consulting Inc. *Market Research Report-Executive Summary: Pacific Northwest Water and Wastewater Market Assessment*. Quantum Consulting Inc., Berkeley, California: 2001.

SBW Consulting, Inc. *Energy Benchmarking Secondary Wastewater Treatment and Ultraviolet Disinfection Processes at Various Municipal Wastewater Treatment Facilities*. San Francisco, California: Pacific Gas and Electric Company, 2002.

State of Wisconsin. *Roadmap for the Wisconsin Municipal Water and Wastewater Industry*. Madison, WI: State of Wisconsin, 2002.

WRc Group. *Report on the Development of Energy Consumption Guidelines for Water/Wastewater*. Swindon, U.K.: WRc, 2003.
