

# Save the Date!

## Iowa ENERGY STAR<sup>®</sup> Qualified Homes Workshop

**With Sam Rashkin, R.A., National Director, ENERGY STAR for Homes**  
**Monday, June 8, 2009 – Des Moines**  
**Tuesday, June 9, 2009 – Cedar Rapids**

Iowa has emerged as one of the most successful markets for ENERGY STAR qualified homes. This widespread market penetration brings with it great challenges for the future. EPA is working with Alliant Energy, Black Hills Energy, and MidAmerican Energy to present ENERGY STAR workshops for the raters and builders who serve Iowa. These workshops will provide a forum for Iowa's rating community to discuss increasing quality assurance challenges. They will also help new builders joining ENERGY STAR to get off on the right foot.

**Rater workshop**      *9am – 2:30pm*

***For all raters and Providers serving Iowa***

Agenda

- In-field Thermal Bypass Checklist Training
- Keynote address: "ENERGY STAR Challenges and Opportunities in Iowa"
- Facilitated discussion on HERS rating practices and quality enforcement

**Homebuilder workshop**      *3 – 6pm*

***Open to all homebuilders***

Agenda

- The ENERGY STAR Key to Homebuilder Success
- ENERGY STAR Sales and Marketing Training

*More details to follow. Save the date now and talk to your local utility Account Manager for more information.*
