

Northern Virginia Building Industry Association
Presents the 2008

ENERGY STAR CONFERENCE & EXHIBITS

*With Sam Rashkin, R.A., EPA, National Director ENERGY STAR for Homes
Friday, June 13, 2008—7:30 a.m.—7:00 p.m.
Hyatt Regency Reston—1800 Presidents Street—Reston, VA*

Today's savvy and environmentally conscious consumers are looking for energy efficient homes, improvements, products and solutions to save energy, save money, and to help maintain and protect the environment. They seek out the ENERGY STAR mark — they recognize it as a symbol for energy efficiency.

ARE YOU PREPARED TO MEET THEIR DEMANDS?

CONFERENCE OVERVIEW

EPA's ENERGY STAR can increase revenue, enhance customer satisfaction, and help your company gain national recognition as industry and environmental leaders.

Learn how ENERGY STAR and its partners — *builders, Home Energy Raters, utilities, state and regional sponsors* — work together to promote the benefits and increase sales of energy-efficient homes.

WHO SHOULD ATTEND

Builders, remodelers, contractors, designers, engineers, architects, suppliers, government officials
anyone committed
to improving energy efficiency, design, sustainability and helping protect the environment.
