

**Choosing a new home is a decision  
you'll live with for a long time.**

**And so will the rest of the world.**

**Protect the environment. Buy a home that has earned the ENERGY STAR®**

Choosing a home that saves energy is something you can do to reduce pollution and make a positive and lasting change. ENERGY STAR labeled homes also provide lower utility bills, increased comfort, and greater durability. Learn more. Visit [www.energystar.gov](http://www.energystar.gov).

**For a list of participating local builders, visit  
[www.energystarhomesamerica.com](http://www.energystarhomesamerica.com)**

ENERGY STAR labeled homes meet strict energy efficiency guidelines set by the  
US Environmental Protection Agency.
