### Cost Savings Headlines:

- Want to save some **green**?  
Look for a home with the **blue ENERGY STAR<sup>®</sup>**.
- The **blue ENERGY STAR<sup>®</sup>**. A great way to save some **green**.  
Learn more from these participating builders.
- Save some **green** with the **blue ENERGY STAR<sup>®</sup>**  
and a home from one of these builders.

Associated Blue Box:

**EPA AND THESE [CITY] BUILDERS CAN HELP YOU SAVE ON YOUR UTILITY BILLS.** When choosing your new home, make sure the blue ENERGY STAR tops your list of “must haves.” High-performance heating and cooling, energy-efficient windows, and tighter construction add up to quieter, more comfortable homes that are independently verified to use less energy, save money, and help protect the environment. And that’s a pretty good deal for everyone. Learn more at **energystar.gov**.
