Building Description:

Campus West Apartments opened in August 2015. The community houses 313 Syracuse University students. Campus West offers a variety of floor plans which include: studios, 1 bedroom/1 bathroom units, 2 bedroom/2 bathroom units, and 4 bedroom/4 bathroom units. Each apartment is fully furnished and has a full size washer and dryer, fully equipped kitchen complete with dishwasher, garbage disposal and microwave. Each apartment also includes gas, water, sewer, trash, wireless Internet access, cable with HBO, and electricity with a cap depending on size of apartment.

Campus West has a variety of services for our residents. We offer a fitness center, business center with printer, two study lounges complete with 52" flat screen televisions, lobby lounge with 60" flat screen television and a community center for study and lectures that is equipped with an ice maker, refrigerator, and a 52" flat screen television, all are open 24/7. The property also has a convenience store with a Starbucks located at the south end of the building.
