

Big Ass Fans

November 21, 2011

Email to mostefficient@energystar.gov

We would like to understand if there has been any consideration for adding product category: **CEILING FANS** to this new & outstanding Energy Star “Most Efficient” initiative? Any information or background you would be willing to share with us would be appreciated. We are a new Energy Star stakeholder company and look forward to helping move these initiatives forward.

Best regards,
James
