Synopsis: EPA is pleased to offer a full day meeting for ENERGY STAR partners and stakeholders to hear what's happening with the country's newest ENERGY STAR consumer electronics programs, share take away tools and information to advance their own plans, and learn how best to leverage national EPA and industry efforts to advance energy efficiency in electronics products.

Who should attend: Energy efficiency **program sponsors** who are implementing or interested in developing ENERGY STAR consumer electronics programs; **retail partners** that promote ENERGY STAR consumer electronics; **manufacturer partners** that produce ENERGY STAR consumer electronics; and other organizations active in the energy efficiency community. EPA will make meeting materials available online after the meeting for interested parties who cannot attend.

To register: There is no fee for this workshop, but participants must register as space is limited and accurate counts are needed.

Please **RSVP** by contacting Amanda Byrne by email (abyrne@icfi.com) or phone (703) 934-3044 by **August 14, 2009**.

RSVPs are required by August 14, 2009 to confirm your attendance.

Sponsorship opportunities are available for refreshments. Please contact Amanda Byrne if you are interested.

This meeting will begin at the conclusion of the ENERGY STAR Appliance Partner Meeting and take place at the same location. To RSVP for the Appliance Partner Meeting, please visit www.energystarpartners.net.
