# 2014 ENERGY STAR Products Partner Meeting

## One-on-One Networking Session Guidelines

The Sheraton Phoenix Downtown  
Phoenix, AZ

## Overview

Year after year, ENERGY STAR partners have consistently rated the opportunity to meet one-on-one with other ENERGY STAR stakeholders as the most beneficial aspect of the ENERGY STAR Products Partner Meetings. EPA is pleased to provide a limited number of private rooms for the duration of the 2014 ENERGY STAR Products Partner Meeting in Phoenix, AZ for partners to organize and conduct one-on-one networking meetings.

In 2014, EPA is pleased to extend these networking rooms for partner use on Sunday, October 26 and Thursday, October 30.

## Purpose

The networking sessions provide ENERGY STAR manufacturers, retailers, program sponsors, and other stakeholders dedicated rooms for private meetings in which to establish and strengthen business relationships, seek out collaboration opportunities, and share best-practice approaches to ENERGY STAR-focused energy efficiency program design and implementation in a more targeted manner.

## Format

Networking sessions are set-up in 30 minute increments and offered on the following dates and times, beginning on the hour and half-hour:

- Sunday, October 26<sup>th</sup> 12:00 PM – 6:00 PM
- Monday, October 27<sup>th</sup> 10:00 AM – 6:30 PM
- Tuesday, October 28<sup>th</sup> 10:00 AM – 6:30 PM
- Wednesday, October 29<sup>th</sup> 9:00 AM – 5:00 PM
- Thursday, October 30<sup>th</sup> 9:00 AM – 12:00 PM

Rooms are limited and offered on a first-come, first-served basis. In order to provide all partners equal access to the rooms, reservation requests will initially be limited to five 30-minute slots per day per requestor. As we approach the meeting dates, we will offer any remaining inventory to partners already signed up for rooms; any meeting slots remaining at that point will be offered for sign-up at the registration desk during the meeting.
