**To:** "mostefficient@energystar.gov"  
<mostefficient@energystar.gov>

**Subject:** Energy Star "top tier"

To Whom it may Concern,

We believe this move would confuse consumers. This confusion would weaken Energy Star's image. Companies often own brands which compete against each other in the same market. Metro Lighting proposes that a second brand be developed by the EPA or DOE to drive more energy efficient products into the market.

Regards,

Nicholas Frisella
