**Qualified Product Information Form for
Residential Air Source Heat Pumps & Central Air Conditioners
Office of Atmospheric Programs**

**ENERGY STAR® product information form for use by ENERGY STAR qualified ASHP/CAC partners
(Companies who have joined ENERGY STAR for ASHP/CAC by signing a Partnership Agreement)**

You may use this form to report only those products that are sold under your company's brand name. If your firm sells its models to another company that uses its own brand name, that company must join the program and report its own products. Information from this form will be added to the list of ENERGY STAR qualified ASHP/CAC products. If you need additional space, please copy this form.

It is EPA's intention to utilize the CEE Directory of AHRI Verified Equipment to list the equipment that qualifies for ENERGY STAR. Only manufacturers that do not participate in the AHRI certification program will be expected to submit product information directly using this form.

Company Name:
(As listed in Partnership Agreement)

Product Contact Information
(For public requesting product information)

Name:

Tel:

Fax:

Email:

Tested by:
(Name of Firm or Self-Tested)

Additions to Qualifying Products List:

Manufacturer Name (Trade Name)	Product Family Name	Product Type ¹	Capacity (Btuh)	SEER/ HSPF Rating ²	EER Rating	Outdoor Unit Model Number ³	Indoor Unit Model Number ⁴

¹ Please specify product type according to the product types listed in the ENERGY STAR Eligibility Criteria (i.e., CAC - Split System, CAC - Single Package, ASHP - Split System, ASHP - Single Package, or Gas/Electric Package Unit).

² HSPF ratings are only necessary for Air-Source Heat Pumps.

³ Please simplify model series information when possible (e.g., "All models beginning with...").

⁴ For equipment offered with more than one assembly, please report separately the indoor unit that is paired with each matched assembly.

Labeling Requirements:

By checking the boxes below, you are confirming that you have reviewed and will meet the labeling requirements outlined in the ENERGY STAR Program Requirements for Residential Air Source Heat Pump (ASHPs) and Central Air Conditioner (CAC) Equipment once this model has been approved by EPA for qualification. These requirements include:

☐ Product literature (*required*) ☐ Internet site (*required*) ☐ Top/front of the product (*recommended*)

If answer to any of the above is No, explain why:

Declaration:

☐ By checking this box, I declare that the information submitted via this form is, to the best of my knowledge, accurate and associated with the products included for qualification in this submittal. I understand that the ENERGY STAR Program will associate all data in this submittal with the products listed in this submittal upon receipt. I understand that if any of the submitted information is found to be inaccurate, the products will be removed from the ENERGY STAR qualified products list. I understand that intentionally submitting false information to the U.S. government is a criminal violation of the False Statements Act, Title 18 U.S.C. section 1001.

Date:

Instructions for Submittal:

Please submit your completed QPI Form to ENERGY STAR for ASHP/CAC in one of the following ways:

Email: CAC-ASHP@energystar.gov

Fax: (202) 862-1144

US Mail/Overnight Express: 1725 Eye St., NW, Suite 1000, Washington, DC 20006

QPI forms must be accompanied by a lab report. Additional information about acceptable lab report formats may be found at www.energystar.gov/labreport.

EPA uses this data for internal evaluation purposes - to determine ENERGY STAR qualification. Should data other than that which is destined for the ENERGY STAR qualified product list be made public, it will be done so as aggregated data. If you have concerns regarding providing your data via this form, please email join@energystar.gov.

The public reporting and recordkeeping burden for this collection of information is estimated to average 4.85 hours per response. Send comments on the Agency's need for this information, the accuracy of the provided burden estimates, and any suggested methods for minimizing respondent burden, including through the use of automated collection techniques to the Director, Collection Strategies Division, U.S. Environmental Protection Agency (2822T), 1200 Pennsylvania Ave., NW, Washington, D.C. 20460. Include the OMB control number in any correspondence. Do not send the completed form to this address.
