Qualified Product Information Form for Hot Food Holding Cabinets
Office of Atmospheric Programs

ENERGY STAR® product information form for use by ENERGY STAR hot food holding cabinet partners
(Companies who have joined ENERGY STAR for hot food holding cabinets by signing a Partnership Agreement)

You may use this form to report only those products that are sold under the company's brand name. If your firm sells its models to another company that uses its own brand name, that company must join ENERGY STAR and report its own products. Information from this form will be added to the list of ENERGY STAR qualified hot food holding cabinets. Please copy this form and return one for each qualifying product model to the address provided below.

Company Name: _____
(As listed in Partnership Agreement)

Product Contact Information
(For public requesting product information)

Name: _____

Tel: _____

Fax: _____

E-mail: _____

Please provide information on the tested model ONLY and complete all the fields below. If tested model is being submitted to represent a family of products then manufacturer must attach to this QPI form a list of additional model numbers that they wish to qualify within that family along with individual equipment specification sheets.

Brand Name/ Manufacturer	Model Name & Number	Door Type*	Wall Type*	Internal Volume (ft ³)**	Energy Usage (watts)	Idle Energy Rate (watts/ft ³)

* Please indicate glass or solid.

** Calculated by: interior height x interior width x interior depth

Number of doors: _____

Date model available for purchase: _____

Tested By: (Name of Independent Testing Firm or Self-Tested) _____ Date Tested: _____

Note: testing must be done in accordance with ASTM Standard F2140-01.
