Qualified Product Information Form for Roof Products Version 2.1 Office of Atmospheric Programs

ENERGY STAR® Qualified Product Information (QPI) Form for use by ENERGY STAR Roof Products Partners (Companies who have joined ENERGY STAR for Roof Products by signing the Partnership Agreement). Information from this form will be added to the list of ENERGY STAR Qualified Roof Products on the ENERGY STAR Web site at www.energystar.gov.

Note: Partners may use this QPI form to report only those products that are sold under the company's brand name. If your firm sells its products to another company that uses its own brand name, that company must join ENERGY STAR and report its own products. Please complete this form and send it back via **fax, e-mail, or mail to the address given below**.

I. Contact Information

Company Name: (as listed in the PA)	Name of Person Submitting Information:	
	Tel:	Fax:
	E-mail:	

II. Roof Product Information

Brand	Model	Initial Solar Reflectance	Solar Reflectance After 3 years	Initial Thermal Emittance*	Warranty (years)	Roof cleaned prior to 3 rd year test?

III. Testing Information

QPI forms must be accompanied by a lab report. Additional information about acceptable lab report formats may be found at www.energystar.gov/labreport.

Testing Information	Initial Solar Reflectance	Solar Reflectance After 3 Years**	Initial Thermal Emittance*
Tested By (Name of Firm or Self-Tested):			
Test Method Used			

**Note: Roof products are not required to meet minimum thermal emittance levels to earn the ENERGY STAR. However, EPA is requiring manufacturers to report initial thermal emittance values for ENERGY STAR qualification. This information will be included on the ENERGY STAR website.

***Note: As of December 31, 2007, samples being used to test for solar reflectance after 3 years may not be cleaned prior to testing.

Is this product a Color Family Representative Element?**** ☐ Y ☐ N
Is this product a Color Family Additional Element?**** ☐ Y ☐ N

****Note: If this product is being submitted as part of a Color Family, the CRRC-F-2 form must be included with this form.

Email: roofs@energystar.gov

Fax: (202) 862-1144

US Mail/Overnight Express: 1725 Eye St., NW, Suite 1000, Washington, DC 20006

EPA uses this data for internal evaluation purposes - to determine ENERGY STAR qualification. Should data other than that which is destined for the ENERGY STAR qualified product list be made public, it will be done so as aggregated data. If you have concerns regarding providing your data via this form, please email join@energystar.gov.

The public reporting and recordkeeping burden for this collection of information is estimated to average 4.85 hours per response. Send comments on the Agency's need for this information, the accuracy of the provided burden estimates, and any suggested methods for minimizing respondent burden, including through the use of automated collection techniques to the Director, Collection Strategies Division, U.S. Environmental Protection Agency (2822T), 1200 Pennsylvania Ave., NW, Washington, D.C. 20460. Include the OMB control number in any correspondence. Do not send the completed form to this address.
