Qualified Product Information Form for Room Air Cleaners Office of Atmospheric Programs

ENERGY STAR® product information form for use by ENERGY STAR room air cleaner partners (Companies who have joined ENERGY STAR for room air cleaners by signing a Partnership Agreement)

You may use this form to report only those products that are sold under your company's brand name. If your firm sells its models to another company that uses its own brand name, that company must join the program and report its own products. Information from this form will be added to the list of ENERGY STAR qualified room air cleaners.

Company Name:

(As listed in Partnership Agreement)

Product Contact Information

(For verification of product information)

Name:

Tel:

Fax:

Email:

- I. **Product Information:** A room air cleaner model must produce at least 50 CADR for Dust to be considered for ENERGY STAR. **Please use a separate form for each individual air cleaner model.** (Air cleaner models that are derivatives of a basic model may be listed on the same form.)

Manufacturer Name	Brand/Model Name	Model Number	Dust CADR	Tobacco Smoke CADR	Pollen CADR	Total Energy Consumption (Watts)	Dust CADR/Watt

Date Available on Market:

Tested By (Laboratory Name or Self-Tested):

Date Tested:

- II. **Standby Power:** Standby power for operation of secondary consumer features must be measured and reported in accordance with the Test Procedure provided in Section 4 of the room air cleaner specification.

Does this Model Use Standby Power? ☐ Yes ☐ No

If answered "yes" to above question;

Total Measured Standby Power: Watts

Date Tested:

- III. **UL Safety Requirements:** Models that emit ozone as a byproduct of air cleaning must be in accordance with UL Standard 867.

Meets UL Safety Standard 867: ☐ Yes ☐ No

UL File Number:

- IV. **Labeling Requirements:** By checking the boxes below, you are confirming that you have reviewed and will meet the labeling requirements outlined in the ENERGY STAR Program Requirements for Room Air Cleaners once this model has been approved by EPA for qualification. These requirements include:

☐ On top/front of product ☐ In product literature ☐ On partner Web site

In addition to the ENERGY STAR mark, consumer education information and disclaimer language must be placed:

☐ On product packaging ☐ Within instruction manual ☐ On partner Web site

If answer to any of the above is "no", please explain:

- V. **Power Supply:** EPA is considering the collection of internal power supply data associated with room air cleaners at a future time following research and discussion with industry stakeholders.

Additional Information: Please list all major retailers that carry the product (attach a list if necessary):

Please check one or more of the following international markets where these products are sold (if applicable)?

☐ Australia/New Zealand ☐ Canada ☐ EU ☐ Japan ☐ Mexico ☐ Taiwan ☐ China

- VI. **Declaration:**

☐ By checking this box, I declare that the information submitted via this form is, to the best of my knowledge, accurate and associated with the products included for qualification in this submittal. I understand that the ENERGY STAR Program will associate all data in this submittal with the products listed in this submittal upon receipt. I understand that if any of the submitted information is found to be inaccurate, the products will be removed from the ENERGY STAR qualified products list. I understand that intentionally submitting false information to the U.S. government is a criminal violation of the False Statements Act, Title 18 U.S.C. section 1001.

Date:

- VII. **Instructions for Submittal:**

Please submit the completed Qualified Product Information in one of the following ways:

Email: RoomAirCleaners@energystar.gov

Fax: (202) 862-1144

US Mail/Overnight Express: 1725 Eye Street, NW, Suite 1000, Washington, DC 20006

QPI forms must be accompanied by a lab report. Additional information about acceptable lab report formats may be found at www.energystar.gov/labreport

EPA uses this data for internal evaluation purposes - to determine ENERGY STAR qualification. Should data other than that which is destined for the ENERGY STAR qualified product list be made public, it will be done so as aggregated data. If you have concerns regarding providing your data via this form, please email join@energystar.gov.

The public reporting and recordkeeping burden for this collection of information is estimated to average 4.85 hours per response. Send comments on the Agency's need for this information, the accuracy of the provided burden estimates, and any suggested methods for minimizing respondent burden, including through the use of automated collection techniques to the Director, Collection Strategies Division, U.S. Environmental Protection Agency (2822T), 1200 Pennsylvania Ave., NW, Washington, D.C. 20460. Include the OMB control number in any correspondence. Do not send the completed form to this address.
