

THEY JUST SCORED **HUGE** ENERGY SAVINGS. WANT THEIR SECRET?

NAME: Carolina Watt-Busters, Morrison Residence Hall, UNC Chapel Hill

WINNERS OF: EPA's first-ever National Building Competition

SAVINGS: 36% reduction in energy use | \$250K in one year

These students and the UNC Energy Management team helped their dormitory cut more than 730 metric tons of carbon emissions, earning ENERGY STAR® certification for their building and big savings for their school. Find out how they saved and how you can help, too, at energystar.gov.
