EPA has removed these products from the list of ENERGY STAR qualified products as of January 20, 2010 and is working with LG on a list of corrective actions that include LG removing the ENERGY STAR label from products and sending new Energy Guide labels and specification sheets that do not include the ENERGY STAR label.

Please let the appropriate people in your organization know about these delisted models. We appreciate your assistance in helping to maintain the high quality and energy savings of ENERGY STAR qualified products. If you have any questions, please feel free to contact me or Kristen Taddonio at taddonio.kristen@epa.gov or (202) 343-9234.

Sincerely,
