

Team ENERGY STAR® TIPSTER FLIPSTER

CUT HERE

How to make your Flipster:

- 1  1) Cut out the square of paper.
- 2  2) Flip to the blank side and fold the opposite corners over to meet. Open and repeat with opposite corners.
- 3  3) Open and lay flat. Fold each of the four corners in to meet at the center.
- 4  4) Flip it over and again fold in the four corners to meet at the center.
- 5  5) Fold the Flipster in half and lay flat. Place thumbs and forefingers in each of the underside pockets.

How to find your energy-saving tip:

- 1) With the Flipster closed, pick one of the four words on the outside.
- 2) While spelling that word, flip the Flipster back and forth with each letter.
- 3) Look in the opening and pick your favorite EPIC character.
- 4) Open that character's flap for your energy-saving tip.
