

ENERGY STAR CERTIFIED

# Gas Water Heaters

## American - ATM-180M-N 1\*\* : MTM-180M-N 1\*\*

### Specifications

|  |                              |
|--|------------------------------|
| ENERGY STAR Unique ID:                     | 4015953                      |
| ENERGY STAR Partner:                       | A.O. Smith Corporation       |
| Brand Name:                                | American                     |
| Model Name:                                | ATM-180M-N 1**               |
| Model Number:                              | MTM-180M-N 1**               |
| Connected Capable:                         | No                           |
| ENERGY STAR Certified:                     | Yes                          |
| Type:                                      | Gas Tankless                 |
| Fuel:                                      | Natural Gas                  |
| Max. Amps:                                 | 5.0                          |
| Vent Type:                                 | Power Vent,Power Direct Vent |
| Max. Input Rate for Gas Products (Btu/hr): | 180000                       |
| Maximum Gallons Per Minute:                | 5.4                          |
| Draw Pattern (Intended Usage):             | High-Usage                   |
| Uniform Energy Factor (UEF):               | 0.95                         |
| Therms/year for Natural Gas:               | 178                          |
| Recovery Efficiency (%):                   | 96.0                         |
| Height to Vent (inches):                   | 1.0                          |
| Vent Size 1 (inches):                      | 3                            |
| Vent Size 2 (inches):                      | 2                            |
| Storage Volume (gallons):                  | 1                            |
| Tank Diameter (inches):                    | 1.0                          |
| Tank Height (inches):                      | 1.0                          |
| Water Heater Depth (inches):               | 12.0                         |
| Water Heater Height (inches):              | 27.0                         |
| Water Heater Width (inches):               | 17.3                         |
| Date Certified:                            | 2025-04-21                   |
| Markets:                                   | United States, Canada        |
