

ENERGY STAR CERTIFIED

# Solar Water Heaters

## Rheem - SOLPAK : RS120-64BP-TG

### Specifications

|   |                             |
|---|-----------------------------|
| <b>ENERGY STAR Unique ID:</b>                 | 2409764                     |
| <b>ENERGY STAR Partner:</b>                   | Rheem-Ruud Manufacturing    |
| <b>Brand Name:</b>                            | Rheem                       |
| <b>Model Name:</b>                            | SOLPAK                      |
| <b>Model Number:</b>                          | RS120-64BP-TG               |
| <b>Connected Capable:</b>                     | No                          |
| <b>Tax Credit Eligible:</b>                   | Yes                         |
| <b>ENERGY STAR Certified:</b>                 | Yes                         |
| <b>Type:</b>                                  | Solar with Gas Backup       |
| <b>Fuel:</b>                                  | Natural Gas                 |
| <b>Draw Pattern (Intended Usage):</b>         | High-Usage                  |
| <b>Solar Collector Type:</b>                  | Flat Plate                  |
| <b>Solar System Type:</b>                     | Indirect Forced Circulation |
| <b>Solar Type of Backup:</b>                  | Tankless                    |
| <b>Solar Uniform Energy Factor (SUEF):</b>    | 9.9                         |
| <b>Solar Auxiliary Tank Input (BTU/hr):</b>   | 199000                      |
| <b>OG-300 Number:</b>                         | 2010048C                    |
| <b>Solar Auxiliary Tank Volume (gallons):</b> | 0                           |
| <b>Solar Collector Panel Area (sq feet):</b>  | 65.7                        |
| <b>Date Certified:</b>                        | 2020-11-13                  |
| <b>Markets:</b>                               | United States               |
