

ENERGY STAR® RESIDENTIAL NEW CONSTRUCTION PROGRAMS

Dear ENERGY STAR Multifamily New Construction Stakeholder,

Please join us Tuesday, August 13th, from 1 - 2 p.m. ET for an introduction to the U.S. Environmental Protection Agency's ENERGY STAR Multifamily New Construction (MFNC) program. The MFNC program is designed to reduce energy usage while improving comfort, indoor air quality, and durability. This webinar will cover a) a summary of key elements in each certified building, b) the [certification process](#), c) program documents, d) key resources on the ENERGY STAR website, e) [building eligibility](#), f) roles and expectations of key participants, g) available federal tax credits, and h) how to get started. Learn more about the MFNC program by visiting the [ENERGY STAR](#) website.

Register for the ENERGY STAR Multifamily New Construction program webinar:
