

ENERGY STAR® RESIDENTIAL NEW CONSTRUCTION PROGRAMS

Dear Residential New Construction Stakeholders,

In response to the 2024 International Energy Conservation Code (IECC), the EPA is proposing new national versions of the ENERGY STAR Residential New Construction Program Requirements: Single-Family New Homes (SFNH) National Version 3.3 and Multifamily New Construction (MFNC) National Version 1.3.

To learn more, please join the ENERGY STAR Residential New Construction team for a webinar that will introduce the proposed new versions, explain the process and timeline for providing stakeholder feedback, and answer questions.

ENERGY STAR Residential New Construction: Proposed National Program Requirements
Thursday, October 24th, 12-1 pm ET
To register for the webinar, click [here](#)

Please feel free to forward this information to other interested stakeholders working in the residential new construction market.

Best regards,

The ENERGY STAR Residential New Construction Team
