Subject: CLEAResult response re: ENERGY STAR SHEMS Draft 1 Version 1.0 Specification
Date: Friday, May 3, 2019 3:03:03 PM

Dear Taylor and the rest of the ENERGY STAR SHEMS team,

Thank you for the opportunity to provide comments on the **SHEMS Draft 1 V1.0 Specification**. CLEAResult appreciates all of the hard work that has gone into the draft spec thus far, and we do not have any formal comments to add to the record at this time.

We look forward to this specification evolving and are happy to provide additional feedback going forward.

Cheers,

Emily Kemper, AIA
