Re: PPG Industries, Inc.  
Comments to Energy Star for Windows, Doors, and Skylights  
Version 6.0 Draft 2 Criteria

Dear Doug and Emily:

Paul Bush of PPG Industries, Inc. ("PPG") is unavailable, but has asked me to let you know that PPG supports the reduction of the northern prescriptive U-factor to 0.25 and endorses the basis for that reduction as set out in the comments of NSG/Pilkington North America, Inc. and AGC Glass Company North America, Inc.

Very truly yours,

Thomas S. Zaremba
