## Families and businesses are saving with the help of ENERGY STAR®

Arizona is home to about **280** businesses and organizations that participate in U.S. EPA's ENERGY STAR program, including:

**15** manufacturers of ENERGY STAR certified products

**10** companies supporting independent certification of ENERGY STAR products and homes

**127** companies building ENERGY STAR certified homes, and many businesses, schools, governments, and faith-based groups using ENERGY STAR to avoid energy waste.

### Across Arizona in 2019

**3.1 million customers** were served by ENERGY STAR utility and energy efficiency program partners

**3,713 buildings** (more than 315 million square feet) were benchmarked using EPA's ENERGY STAR Portfolio Manager

**212,019 homes** have earned the ENERGY STAR to date

**887 buildings** have earned the ENERGY STAR for superior efficiency to date, including 290 schools, 16 hotels, 8 hospitals, 235 office buildings, and 5 industrial plants.

U.S. Airways Headquarters, Tempe, AZ. ENERGY STAR certified since 2000.

### State Spotlights

"The ENERGY STAR program is significant to the buying public in helping create a higher sense of quality. We use ENERGY STAR to communicate Mandalay Homes commitment to building above code and providing the best possible product to the market we can. Potential buyers walking in the door see the ENERGY STAR logo and know they are about to experience a better home from start to finish." Geoff Ferrell, Chief Technology Officer, Mandalay Homes

"The value of the ENERGY STAR brand is significant and provides instant credibility for us as a contractor organization." Marshall Leeper, President & CEO, Custom Energy Design

"We have had great success promoting the Home Performance with ENERGY STAR® (HPwES) program. The ENERGY STAR® name and logo has increased our credibility from using it in all aspects of our advertising." Robert Jones, Vice President, Elevation Solar

"ENERGY STAR represents both a promise and a pathway for individuals and organizations to make positive changes, feel secure in the expertise of their program, and be inspired to be a part of improving our common condition." CR Herro, VP of Innovation, Meritage Homes
