## Families and businesses are saving with the help of ENERGY STAR®

Colorado is home to about **380** businesses and organizations that participate in U.S. EPA's ENERGY STAR program, including:

- 15** manufacturers of ENERGY STAR certified products
- 25** companies supporting independent certification of ENERGY STAR products and homes
- 128** companies building ENERGY STAR certified homes, and many businesses, schools, governments, and faith-based groups using ENERGY STAR to avoid energy waste.

### Across Colorado in 2019

- 3.3 million customers** were served by ENERGY STAR utility and energy efficiency program partners
- 7,263 buildings** (almost 624 million square feet) were benchmarked using EPA's ENERGY STAR Portfolio Manager
- 50,597 homes** have earned the ENERGY STAR to date
- 1,163 buildings** have earned the ENERGY STAR for superior efficiency to date, including 346 schools, 19 hotels, 6 hospitals, 428 office buildings, and 3 industrial plants.

### Recent ENERGY STAR Award Winners

- EnergyLogic, Inc.
- Habitat for Humanity of Metro Denver
- True Manufacturing (True Food Service Equipment)

Kittredge Building, Denver, CO. ENERGY STAR Certified in 2016.

### State Spotlights

"We are proud of how our partnership with ENERGY STAR continues to enhance our portfolio of programs and services. Customer recognition of the ENERGY STAR label and logo are an important part of our engagement strategy." John Phelan, Energy Services Senior Manager, City of Fort Collins

"Habitat Metro Denver began building with ENERGY STAR products and guidelines almost 20 years ago, and the partnership has been an institutional change that continues to evolve. Our partnership with the ENERGY STAR program has set us apart from other homebuilders, and we're proud to be recognized as one of the most energy-efficient homebuilders in Colorado." Heather Lafferty, CEO and Executive Director, Habitat for Humanity of Metro Denver
