## Families and businesses are saving with the help of ENERGY STAR®

Georgia is home to about **330** businesses and organizations that participate in U.S. EPA's ENERGY STAR program, including:

- 39** manufacturers of ENERGY STAR certified products
- 31** companies supporting independent certification of ENERGY STAR products and homes
- 42** companies building ENERGY STAR certified homes, and many businesses, schools, governments, and faith-based groups using ENERGY STAR to avoid energy waste.

### Across Georgia in 2019

- 4.6 million customers** were served by ENERGY STAR utility and energy efficiency program partners
- 5,649 buildings** (almost 683 million square feet) were benchmarked using EPA's ENERGY STAR Portfolio Manager
- 29,623 homes** have earned the ENERGY STAR to date
- 1,152 buildings** have earned the ENERGY STAR for superior efficiency to date, including 392 schools, 16 hotels, 2 hospitals, 400 office buildings, and 4 industrial plants.

### State Spotlights

"The ENERGY STAR® label provides a recognizable level of distinction in a competitive housing market. The positive impacts created by the certified homes program has generated new client opportunities and a means by which to do our part to ensure a healthy and happy environment for future generations." Bruce Bennett, Principal of Building Energy Services, GDS Associates – Home Energy Ratings of New England

"The ENERGY STAR brand gives buyers confidence that the home is built to a higher standard without having to understand the mechanics and science behind why." Matt Ivey, Co-Owner, Ivey Homes

"As green building consultants, engineers, and trainers, ENERGY STAR is an invaluable program to our mission of improving the built environment ... we benchmark 100% of our clients' buildings in ENERGY STAR Portfolio Manager ... We are very grateful for the EPA's ENERGY STAR program." Charles Cichetti, CEO + Co-Founder, Sustainable Investment Group, LLC

"ENERGY STAR® is among the most recognizable consumer brands, and our Partner of the Year – Sustained Excellence Award brings that brand recognition to our residential lighting products. Leveraging the ENERGY STAR messaging helps our company continue to lead the charge in ENERGY STAR-certified products in the recessed downlight category, and further helps consumers achieve their energy saving goals." Brad Paine, Vice President and General Manager of Recessed and Residential Lighting, Eaton's Lighting Division
