Families and businesses are saving with the help of ENERGY STAR®

Michigan is home to about **590** businesses and organizations that participate in U.S. EPA's ENERGY STAR program, including:

23 manufacturers of ENERGY STAR certified products

34 companies supporting independent certification of ENERGY STAR products and homes

71 companies building ENERGY STAR certified homes, and many businesses, schools, governments, and faith-based groups using ENERGY STAR to avoid energy waste.

Across Michigan in 2019

4.3 million customers were served by ENERGY STAR utility and energy efficiency program partners

4,755 buildings (almost 394 million square feet) were benchmarked using EPA's ENERGY STAR Portfolio Manager

19,100 homes have earned the ENERGY STAR to date

1,274 buildings have earned the ENERGY STAR for superior efficiency to date, including 530 schools, 15 hotels, 10 hospitals, 185 office buildings, and 3 industrial plants.

Recent ENERGY STAR Award Winners

- Consumers Energy
- General Motors Company

One Detroit Center, Detroit, MI ENERGY STAR Certified in 2014.

State Spotlights

"The [ENERGY STAR] Light the Moment promotion was a touch down with store associates and customers ... many customers expressed their appreciation of this program and all that we do. They loved every part of the Light the Moment campaign." Scott Tysick, Consumers Energy Lighting and Appliance Field Representative, Consumers Energy

"The ENERGY STAR partnership provides valuable tools and networking for GM to use in our quest for zero emissions from benchmarking, best practices, and recognition that forms the basis of our energy management system." Al Hildreth, Global Energy Manager, General Motors Company
