Families and businesses are saving with the help of ENERGY STAR®

Minnesota is home to about **380** businesses and organizations that participate in U.S. EPA's ENERGY STAR program, including:

- 20** manufacturers of ENERGY STAR certified products
- 15** companies supporting independent certification of ENERGY STAR products and homes
- 42** companies building ENERGY STAR certified homes, and many businesses, schools, governments, and faith-based groups using ENERGY STAR to avoid energy waste.

Across Minnesota in 2019

- 2.3 million customers** were served by ENERGY STAR utility and energy efficiency program partners
- 8,131 buildings** (almost 657 million square feet) were benchmarked using EPA's ENERGY STAR Portfolio Manager
- 9,568 homes** have earned the ENERGY STAR to date
- 787 buildings** have earned the ENERGY STAR for superior efficiency to date, including 193 schools, 7 hotels, 1 hospital, 267 office buildings, and 7 industrial plants.

Recent ENERGY STAR Award Winners

- Andersen Corporation
- Best Buy Co., Inc.
- EnergyPrint
- General Motors Company
- Pentair
- Target Corporation

Target Headquarters, Minneapolis, MN. ENERGY STAR certified in 2016.

State Spotlights

"The trusted ENERGY STAR mark provides both businesses and consumers with the confidence that the certified products they purchase are best-in-class for energy efficiency. The EPA's ENERGY STAR program has helped to dramatically reduce energy usage and electricity costs over its three decades of leadership." Eliza Clark, Director of Sustainability and Community, Anderson Corporation

"Our partnership with ENERGY STAR feeds into our commitment to help our clients find savings opportunities for commercial buildings. We consistently integrate ENERGY STAR across our entire product platform because it's a known and trusted source our clients value." Priscilla Koeckeritz, CEO, EnergyPrint Inc
