

# NEW YORK

The simple  
choice for  
energy  
efficiency.

April 2020

## Families and businesses are saving with the help of ENERGY STAR®

New York is home to about **850** businesses and organizations that participate in U.S. EPA's ENERGY STAR program, including:

- 67** manufacturers of ENERGY STAR certified products
- 43** companies supporting independent certification of ENERGY STAR products and homes
- 262** companies building ENERGY STAR certified homes, and many businesses, schools, governments, and faith-based groups using ENERGY STAR to avoid energy waste.

### Across New York in 2019

- 7.2 million customers** were served by ENERGY STAR utility and energy efficiency program partners
- 35,975 buildings** (almost 4 billion square feet) were benchmarked using EPA's ENERGY STAR Portfolio Manager
- 59,544 homes** have earned the ENERGY STAR to date
- 1,489 buildings** have earned the ENERGY STAR for superior efficiency to date, including 354 schools, 17 hotels, 12 hospitals, 637 office buildings, and 4 industrial plants.

### State Spotlights

"ENERGY STAR Portfolio Manager is essential to SL Green's day-to-day operations. The platform allows our entire team, from the watch Engineer and Chief Engineer to our Director of Engineering and Portfolio Managers, to monitor, rate and optimize building-specific and portfolio-wide energy use. We recognize the importance of continuously tracking building performance to achieve meaningful reductions." Laura Vulaj, Senior Vice President and Director of Sustainability, SL Green Realty Corp.

"Central Hudson sees a significant value in partnering with ENERGY STAR to promote efficiency to our customers." Michael Lauchaire, Energy Efficiency Program Analyst, Central Hudson Gas and Electric Corporation

"Our partnership with ENERGY STAR has helped to significantly reduce energy cost and consumption at Bristol-Myers Squibb's worldwide facilities. ENERGY STAR's many programs have engaged our employees, provide valuable recognition opportunities, and challenge our sites to continually improve our environmental impact." Lou Schmukler, President of Global Product Development & Supply, Bristol-Myers Squibb
