Families and businesses are saving with the help of ENERGY STAR®

Ohio is home to about **570** businesses and organizations that participate in U.S. EPA's ENERGY STAR program, including:

55 manufacturers of ENERGY STAR certified products

39 companies supporting independent certification of ENERGY STAR products and homes

138 companies building ENERGY STAR certified homes, and many businesses, schools, governments, and faith-based groups using ENERGY STAR to avoid energy waste.

Across Ohio in 2019

5.2 million customers were served by ENERGY STAR utility and energy efficiency program partners

7,574 buildings (more than 604 million square feet) were benchmarked using EPA's ENERGY STAR Portfolio Manager

53,839 homes have earned the ENERGY STAR to date

1,350 buildings have earned the ENERGY STAR for superior efficiency to date, including 394 schools, 15 hotels, 31 hospitals, 233 office buildings, and 13 industrial plants.

GE Lighting Headquarters, Nela Park, Cleveland OH.
ENERGY STAR partner since 1999.

State Spotlights

"The resources provided by the EPA ENERGY STAR program have allowed Welltower to take our sustainability program to the next level. They have been integral in allowing us to reduce operating costs and energy consumption ... our property teams ... enjoy competing to see which properties have the highest ENERGY STAR score." Shea Jameel, Manager of Sustainability, Welltower Inc.

"ENERGY STAR is not just a name Soft-Lite puts on its windows and doors. ENERGY STAR is a philosophy that we adopted many years ago. This philosophy has permeated down through our entire customer base. Our entire distribution and customer channel not only orders ENERGY STAR certified windows, but it is also something everyone promotes all the way through to the end customer, the homeowner. ENERGY STAR certified products are not the exception at Soft-Lite, they are part of the standard." Tyson Schwartz, Executive Vice President of Sales & Marketing, Soft-Lite LLC

"The ENERGY STAR program is our North Star for managing our energy consumption at Cleveland Clinic. We see the ENERGY STAR program as an extension of our healing mission making the United States and World healthier through cleaner air. Our asthma patients live better lives when companies and people use ENERGY STAR products." Dr. Sumita Khatri, Co-Director of Cleveland Clinic Asthma Center, Cleveland Clinic
