Families and businesses are saving with the help of ENERGY STAR®

Oregon is home to about **190** businesses and organizations that participate in U.S. EPA's ENERGY STAR program, including:

- 9** manufacturers of ENERGY STAR certified products
- 13** companies supporting independent certification of ENERGY STAR products and homes
- 44** companies building ENERGY STAR certified homes, and many businesses, schools, governments, and faith-based groups using ENERGY STAR to avoid energy waste.

Across Oregon in 2019

- 2 million customers** were served by ENERGY STAR utility and energy efficiency program partners
- 3,337 buildings** (almost 256 million square feet) were benchmarked using EPA's ENERGY STAR Portfolio Manager
- 25,732 homes** have earned the ENERGY STAR to date
- 404 buildings** have earned the ENERGY STAR for superior efficiency to date, including 107 schools, 3 hotels, 6 hospitals, 140 office buildings, and 5 industrial plants.

Recent ENERGY STAR Award Winners

- GreenSavers
- Gresham-Barlow School District

Portland VA Medical Center, Portland, OR. First earned ENERGY STAR certification in 2002.

State Spotlights

"ENERGY STAR is a trusted resource for homeowners who value energy efficiency in Oregon. Our company benefits tremendously from the power of the ENERGY STAR brand." Robert Hamerly, Principal, GreenSavers

"ENERGY STAR has given Gresham-Barlow School District the platform to prove to ourselves and to others that our efforts in Resource Conservation using ENERGY STAR tools can not only save energy but impact students lives." Terry Taylor, Director of Facilities, Gresham Barlow School District

ENERGY STAR is the government-backed symbol for energy efficiency, providing simple, credible, and unbiased information that consumers and businesses rely on to make well-informed decisions. For more facts and figures see energystar.gov/numbers and energystar.gov/statefacts
