State Spotlights

"Having the ENERGY STAR program in place has been an integral part of the building industry. Being able to play our part, providing energy efficient products as well as initiatives to reduce energy usage within our company as a whole has been great to see." Jeff Kenkelen, President, Air King America, LLC

Air King LLC, a manufacturer of energy efficient ventilation and indoor air quality products, demonstrated its commitment to energy efficiency by offering a wide variety of ENERGY STAR certified products, including the range hood subcategory.

Bimbo Bakeries USA, a baking company whose brands include Thomas', Sara Lee, Oro eat, Arnold, and Nature's Harvest, uses ENERGY STAR guidance and tools to lead the U.S. baking sector in energy management.

Global technology company, Ricoh USA, Inc. offers a wide array of ENERGY STAR certified products and more than doubled its education, training, and communications efforts in support of the ENERGY STAR program.
