## Families and businesses are saving with the help of ENERGY STAR®

South Carolina is home to about **170** businesses and organizations that participate in U.S. EPA's ENERGY STAR program, including:

**15** manufacturers of ENERGY STAR certified products

**22** companies supporting independent certification of ENERGY STAR products and homes

**60** companies building ENERGY STAR certified homes, and many businesses, schools, governments, and faith-based groups using ENERGY STAR to avoid energy waste.

### Across South Carolina in 2019

**2.5 million customers** were served by ENERGY STAR utility and energy efficiency program partners

**1,964 buildings** (more than 142 million square feet) were benchmarked using EPA's ENERGY STAR Portfolio Manager

**22,030 homes** have earned the ENERGY STAR to date

**482 buildings** have earned the ENERGY STAR for superior efficiency to date, including 196 schools, 5 hotels, 5 hospitals, 47 office buildings, and 3 industrial plants.

### Recent ENERGY STAR Award Winner

- Greenville County Schools

Capitol Center, Columbia, SC. ENERGY STAR Certified in 2016.

### State Spotlight

"In the Greenville County Schools organization, ENERGY STAR has become a way of life. A sense of competition has been created by recognizing those schools who have earned certification and everyone strives to meet the requirements. We at Summit Drive are extremely proud of earning four certifications since 2013. ... we have implemented ENERGY STAR resources into our daily lessons and activities to ensure that we resume our certification streak in 2019." Kelly Hellams, Principal of Summit Drive Elementary School, Greenville County Schools
