Families and businesses are saving with the help of ENERGY STAR®

Texas is home to about **830** businesses and organizations that participate in U.S. EPA's ENERGY STAR program, including:

92 manufacturers of ENERGY STAR certified products

60 companies supporting independent certification of ENERGY STAR products and homes

255 companies building ENERGY STAR certified homes, and many businesses, schools, governments, and faith-based groups using ENERGY STAR to avoid energy waste.

Across Texas in 2019

2.6 million customers were served by ENERGY STAR utility and energy efficiency program partners

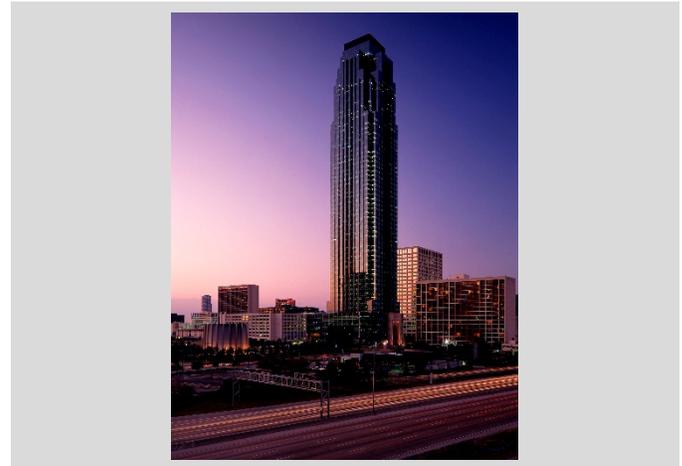

15,376 buildings (more than 1.7 billion square feet) were benchmarked using EPA's ENERGY STAR Portfolio Manager

540,378 homes have earned the ENERGY STAR to date

3,116 buildings have earned the ENERGY STAR for superior efficiency to date, including 1,323 schools, 47 hotels, 27 hospitals, 1,015 office buildings, and 14 industrial plants.

- Hines
- Houston Habitat for Humanity
- J.C. Penney Company, Inc.
- Mansfield Independent School District
- Memorial Hermann Health System
- Texas-New Mexico Power Company

Williams Tower, Houston, TX . ENERGY STAR Certified in 2016.

State Spotlights

"We have successfully leveraged the resources provided by the ENERGY STAR program to reduce our energy consumption, and thereby reduce our costs." Allen Hamblen, President and CEO, AEP Texas

"The Texas New Mexico Power Company utility rebate programs are instrumental in helping promote industry change, and help builders pay for energy efficiency improvements. Also, they do a great job of rewarding builders that choose to differentiate themselves by providing ENERGY STAR Certified Homes." Clayton Morris, VP Operations, DPIS Builder Services Texas, New Mexico Power Company

"At Celanese, we believe that we have a responsibility to drive a strong and sustainable energy program ... The ENERGY STAR partnership, tools and brand resources continue to help us drive constant improvement and sustained energy reduction to the benefit of all." Jon Mortimer, Vice President Global Manufacturing, Celanese Corporation

"ENERGY STAR has always represented both Energy Efficiency and Quality. Our participation with the ENERGY STAR for Homes Program is a part of our corporate plan for personal and business improvement." Steve Saunders, CEO, US EcoLogic Inc Texas Energy Solutions
