State Spotlights

"Main Street Homes is proud to be the MARKET LEADER of building ENERGY STAR Certified new home construction in the Richmond, Virginia area - 100% of our homes achieve the ENERGY STAR Certified rating. We are a proud partner because the ENERGY STAR label means that our homes have been tested and inspected by a third party which adds transparency to our building process and value to our homes and community." Vernon McClure, President, Main Street Homes

"Fairfax County Public Schools has a long-standing partnership with ENERGY STAR and utilizes the principals, practices, equipment and certified appliances as a foundation for our energy management program - we look forward to continuing this commitment to find new ways to save energy and promote student success and learning through the ENERGY STAR program." Jeffrey Platenberg, Assistant Superintendent, Facilities & Transportation Services, Fairfax County Public Schools
