Families and businesses are saving with the help of ENERGY STAR®

Wyoming is home to about **30** businesses and organizations that participate in U.S. EPA's ENERGY STAR program, including:

3 manufacturers of ENERGY STAR certified products

7 companies supporting independent certification of ENERGY STAR products and homes

8 companies building ENERGY STAR certified homes, and many businesses, schools, governments, and faith-based groups using ENERGY STAR to avoid energy waste.

NOLS International Headquarters, Lander, WY. First earned ENERGY STAR certification in 2011.

Across Wyoming in 2019

29 thousand customers were served by ENERGY STAR utility and energy efficiency program partners

335 buildings (almost 18 million square feet) were benchmarked using EPA's ENERGY STAR Portfolio Manager

673 homes have earned the ENERGY STAR to date

30 buildings have earned the ENERGY STAR for superior efficiency to date, including 1 hospital, and 4 office buildings.

State Spotlight

Trihydro's corporate headquarters, located in the Laramie River Business Park in Wyoming, was designed and built to be energy efficient and environmentally friendly, as well as provide a comfortable work setting for employees. Trihydro's corporate office was the first privately owned building to receive the ENERGY STAR award in the State of Wyoming.
