Families and businesses are saving with the help of ENERGY STAR®

South Carolina is home to about 140 businesses and organizations participating in U.S. EPA’s ENERGY STAR program:

- 16 manufacturers of ENERGY STAR certified products
- 11 companies supporting independent certification of ENERGY STAR products and homes
- 45 companies building ENERGY STAR certified homes
- and many businesses, schools, governments, and faith-based groups using ENERGY STAR to reduce energy waste.

ENERGY STAR Partner Activity in South Carolina

1.8 million customers served by ENERGY STAR utility partners in 2020

2,331 buildings (more than 29 million square feet) benchmarked using EPA’s ENERGY STAR Portfolio Manager in 2020

25,989 homes earned the ENERGY STAR to-date

517 buildings earned the ENERGY STAR to-date, including 212 schools, 5 hotels, 5 hospitals, 50 office buildings and 3 industrial plants.

Recent ENERGY STAR Award Winner

- Greenville County Schools

State Spotlights

“In the Greenville County Schools organization, ENERGY STAR has become a way of life. A sense of competition has been created by recognizing those schools who have earned certification and everyone strives to meet the requirements. We at Summit Drive are extremely proud of earning four certifications since 2013. ... we have implemented ENERGY STAR resources into our daily lessons and activities to ensure that we resume our certification streak in 2019.” Kelly Hellams, Principal of Summit Drive Elementary School, Greenville County Schools

Charleston County School District certified 19 schools in 2020.
A Sample of ENERGY STAR Participants in South Carolina

April 2021

For nearly 30 years, EPA’s ENERGY STAR program has been America’s resource for saving energy and protecting the environment. Join the millions making a difference at energystar.gov.
