

Families and businesses are saving with the help of ENERGY STAR®

Idaho is home to **160** businesses and organizations participating in U.S. EPA's ENERGY STAR program:

11 companies supporting independent certification of ENERGY STAR products, homes, and apartments

99 companies building ENERGY STAR certified homes and apartments and many businesses, schools, governments, and faith-based groups using ENERGY STAR to reduce energy waste.

ENERGY STAR Activity in Idaho

757 thousand customers served by ENERGY STAR utility partners in 2021

780 buildings (almost 41 million square feet) benchmarked using EPA's ENERGY STAR Portfolio Manager in 2021

20,100 homes and apartments earned the ENERGY STAR to-date

193 buildings earned the ENERGY STAR to-date, including 98 schools, 1 hotels, 4 hospitals, 25 office buildings and 5 industrial plants.

115 BLM, Idaho Falls, ID. ENERGY STAR certified in 2020.

State Spotlights

Brighton Homes, a local home builder, constructed more than 220 ENERGY STAR certified homes in 2021 for a cumulative total of nearly 1,900 homes since joining the program in 2009, and integrated ENERGY STAR in all print and electronic marketing materials, promoting ENERGY STAR certification as one of its core values.

The following multifamily properties earned ENERGY STAR certification in 2021 for superior energy performance: (1) Identity Boise, Boise, (2) Providence Square Apartments, Rexburg, and (3) Silverwood Apartment Homes, Sugar City.

"We are proud to be one of Idaho's few 100% ENERGY STAR builders. We have received National Awards every year since 2012 from the EPA for our leadership in quality homebuilding. Low-V.O.C. materials are utilized in significant areas to create a healthier indoor environment, an important consideration in a well-built home. Our construction methods and products allow us to provide the industry's best 1-2-3 year home warranty." - Lars Hansen, President, Brighton Homes of Meridian, Idaho.
