Select Certified Buildings and Plants ([Full List](#))

- 6701 Democracy Blvd. (Bethesda)
- 6707 Democracy Blvd. (Bethesda)

One Washingtonian Center, Gaithersburg, MD. First ENERGY STAR certified in 2007.

State Spotlights

"Home Performance with ENERGY STAR has been more than just a brand for us, but a way to approach every single one of our customers. The holistic perspective to provide and produce improvements to home comfort, energy usage, indoor air quality, health and safety, and more. We have seen this level of standard produce life-changing enhancements for many of our clients." - Simone Melillo, Director of Operations, EDGE Energy of Beltsville, Maryland.

Southern Maryland Electric Cooperative, a customer-owned electricity cooperative, promoted ENERGY STAR across the residential home and consumer products sectors and saved more than 51,000 megawatt-hours of electricity across their programs.

EDGE Energy, a home performance company, expanded business operations and completed a record number of home visits in its fifteenth year in business, improving residential energy efficiency through a record number of home visits, solar installations, and other efficiency measures.

SMECO - Southern Maryland Electric Cooperative, a customer-owned electricity cooperative, promoted ENERGY STAR in the residential and consumer products sectors to save more than 35,000 megawatt-hours of electricity across their programs.
