

# NEW YORK

The simple  
choice for  
energy  
efficiency.

April 2022

## Families and businesses are saving with the help of ENERGY STAR®

New York is home to **800** businesses and organizations participating in U.S. EPA's ENERGY STAR program:

- 56** manufacturers of ENERGY STAR certified products
- 48** companies supporting independent certification of ENERGY STAR products, homes, and apartments
- 275** companies building ENERGY STAR certified homes and apartments and many businesses, schools, governments, and faith-based groups using ENERGY STAR to reduce energy waste.

### ENERGY STAR Activity in New York

- 7.3 million customers** served by ENERGY STAR utility partners in 2021
- 47,385 buildings** (more than 5 billion square feet) benchmarked using EPA's ENERGY STAR Portfolio Manager in 2021
- 74,500 homes and apartments** earned the ENERGY STAR to-date
- 1,636 buildings** earned the ENERGY STAR to-date, including 354 schools, 20 hotels, 12 hospitals, 688 office buildings and 5 industrial plants.

1211 Avenue of the Americas, New York, NY. First ENERGY STAR certified in 2008.

### State Spotlights

Bristol Myers Squibb, a biopharmaceutical company, used ENERGY STAR energy management tools and resources to exceed its 2020 sustainability goals by achieving a 24.3% reduction in greenhouse gas emissions and a 17.3% reduction in energy use from a 2015 baseline.

"CodeGreen is a proud winner of the ENERGY STAR Partner of the Year for 5 years running. ENERGY STAR and the Portfolio Manager Tool are the foundation of the energy management and building decarbonization services we provide." - Christopher Cayten, Partner and Senior Director, CodeGreen Solutions.

"ENERGY STAR has been an important partner in Columbia's efforts to achieve optimal building performance and efficiency, and we are proud to partner with them and the E.P.A in advancing the shared goal of reducing the impact of office buildings on our environment." - Rachel Williams, SVP Marketing, Columbia Property Trust.

Nuveen Real Estate, a real estate investment management firm, demonstrated outstanding energy management across its portfolio and achieved ENERGY STAR certification for more than 45 properties in 2021.

PSEG Long Island, an energy company, exceeded goals by installing Home Performance with ENERGY STAR projects in 1,362 homes, which reduced energy use by more than 30,000 MMBtu.

ENERGY STAR is the government-backed symbol for energy efficiency, providing simple, credible, and unbiased information that consumers and businesses rely on to make well-informed decisions.
