- Washington Gas

Select Certified Buildings and Plants [\(Full List\)](#)

- Roanoke Cement Company (Troutville)

1530 Wilson Boulevard, Arlington, VA. First ENERGY STAR certified in 2007.

State Spotlights

"The 23-year partnership between FCPS and ENERGY STAR has been one of the longest and most successful relationships the school division has ever had, and we are proud to be making a difference." - Jeff Platenberg, Assistant Superintendent - Facilities and Transportation Services, FCPS.

"ENERGY STAR and its tools continue to help Loudoun County Public Schools set standards to guide new designs and energy efficiency improvements through retrofits." - Edward Treanor, Executive Director, Chief of Facilities LCPS.

"Main Street Homes is proud to be the MARKET LEADER of building ENERGY STAR Certified new home construction in the Richmond, Virginia area - 100% of our homes achieve the ENERGY STAR Certified rating." - Vernon McClure, President, Main Street Homes.

Dominion Energy, an electric utility in Virginia and North Carolina, facilitated the sale of over 3 million ENERGY STAR certified LED bulbs and 22,000 ENERGY STAR certified appliances, saving customers 97,522,247 gross kilowatt hours (kWhs), which exceeded program goals by more than 120%.

NACS, a trade association, surveyed its members to enable EPA to create the first ENERGY STAR score for convenience stores and convened industry leaders to work with EPA to create guides and best practices for ENERGY STAR Treasure Hunts.
