Dear Sr/Madam

Comment 1:

The scheme owner here is EPA ES, and it is expected that EPA needs to make a prescribed requirement for qualification and experience statement for:

- Certification body Staff
- Reviewers and Certifiers;
- Surveillance Inspector.

Dear ENERGY STAR stakeholder,

As a final reminder, EPA has released draft documentation regarding potential changes to Verification Oversight Organizations (VOOs) within the ENERGY STAR Residential New Construction program for a 60-day stakeholder review period:

- [Draft revised Verification Oversight Organization \(VOO\) Application](#)
- [Draft Certification Protocol for ENERGY STAR Certified Homes and Apartments](#)

[See Full Details](#)

All comments and feedback should be submitted to EPA via email at energystarhomes@energystar.gov no later than May 17, 2019. All submitted responses will be posted on the [ENERGY STAR website](#).

Best regards,

The ENERGY STAR Residential New Construction team
