Summary of Frequently Asked Questions:

1. Using Portfolio Manager to Benchmark
   • How should a property with mixed uses report the different property use types?
     o FAQ: When should I create separate property uses?
     o FAQ: What property type should I use?
   • How should I benchmark my campus property? What constitutes as a single property?
     o FAQ: What constitutes a single structure? What if multiple buildings are connected via walkways or common space?
     o FAQ: What constitutes a campus?
   • How do ENERGY STAR score updates work in Portfolio Manager?
     o FAQ: Are historical scores updated when EPA does a "score update"?
   • How do I share properties in Portfolio Manager?
     o FAQ: How do I share properties?
   • How can I access more training resources for using Portfolio Manager?
     o Upcoming webinars, recorded webinars, slide library, and demonstration videos

2. Energy Data and Metrics in Portfolio Manager
   • How do I benchmark onsite solar energy in Portfolio Manager?
     o Please refer to the Onsite Green Power (that I Generate) FAQ category
   • Can I combine tenant meters into a single aggregate meter?
     o FAQ: Can I combine 30 meters into one?
   • How do you set energy performance goals in Portfolio Manager?
     o FAQ: What is a target and how do I set one?
   • How do I set up utility data sharing so that I don’t need to manually enter utility bills?
     o FAQ: Can I ask my utility to send energy data directly to Portfolio Manager?
   • Should my utility bills be calendarized?
     o FAQ: Can/Should I calendarize my bills? They are mid-month to mid-month.
   • How are my GHG emissions calculated?
     o FAQ: How are my GHG Emissions calculated?
   • What is Energy Use Intensity (EUI)?
     o FAQ: What is EUI?

3. Ordinance-Specific Questions
   • How do I reach out to my state/local jurisdiction if I have specific questions about compliance?
     o FAQ: Contacts for state/local compliance ordinances
   • How do I find my Standard ID to enter into Portfolio Manager?
     o You will need to reach out to your benchmarking jurisdiction to obtain your Standard ID
     o FAQ: Standard IDs in Portfolio Manager
   • How do I respond to a data request in Portfolio Manager?
     o How to respond to data requests in Portfolio Manager
