Dear ENERGY STAR® CAC/HP Brand Owner or Other Interested Party:

The U.S. Environmental Protection Agency (EPA) released the [ENERGY STAR Cold Climate Heat Pump Controls Verification Procedure \(CVP\)](#) on April 1, 2020, with an original comment deadline of April 30. In light of the pressures on stakeholders due to the Coronavirus disease (COVID-19), EPA is now extending the comment period deadline to May 15. Stakeholders can provide written comments for EPA consideration to CAC-ASHP@energystar.gov. All comments will be posted to the [ENERGY STAR CAC-ASHP Product Development](#) website unless the submitter requests otherwise.

EPA and DOE will host a stakeholder webinar meeting on **April 13, 2020 from 1:00 to 3:00 pm EDT** to discuss the CVP proposal and address initial stakeholder comments and questions. Stakeholders interested in participating in this discussion should [RSVP at this link](#) by **April 10, 2020**.

Thank you for your continued support of the ENERGY STAR program.

Sincerely,
