October 7, 2021

Dear ENERGY STAR® Televisions Brand Owner or Other Interested Party,

The U.S. Environmental Protection Agency (EPA) released the [ENERGY STAR Version 9.0 TVs Limited Topic Proposal](#) on September 9, 2021, with an original comment deadline of October 7. In light of stakeholder requests for an extension on submitting comments, EPA is now extending the comment period deadline to October 21. The dataset of High Contrast Ratio TV models used to inform the Limited Topic Proposal can be found on the [ENERGY STAR Televisions product development website](#).

Stakeholders can provide written comments for EPA consideration to Televisions@energystar.gov. All comments will be posted to the [ENERGY STAR Televisions product development website](#) unless the submitter requests otherwise.

Sincerely,

James Kwon, Product Manager
ENERGY STAR for Consumer Electronics
