

# CONSUMER MINDSET

**P. WESLEY SCHULTZ**  
PROFESSOR OF PSYCHOLOGY

CALIFORNIA STATE UNIVERSITY

NOVEMBER, 2011

Presentation delivered at the 2011 U.S. EPA ENERGY STAR Partner Meeting. Charlotte, NC.  
Address correspondences to [wschultz@csusm.edu](mailto:wschultz@csusm.edu). [www.csusm.edu/schultz](http://www.csusm.edu/schultz)

# A Behavioral Perspective

- **Behavior is important**
  - Both purchasing and recurring actions
- **What consumers tell us**
  - Environmental protection, save money, social responsibility
- **Behavior can change**
  - Information is not sufficient
  - The dark side of incentives
  - Beware the rebound
  - The underdetected power of social norms
