OFFICE OF  
AIR AND RADIATION

May 15, 2023

Dear ENERGY STAR® Connected Thermostat Partner or Other Interested Stakeholder:

The U.S. Environmental Protection Agency (EPA) is pleased to provide you with the random number seeds to be used in the Method to Demonstrate Field Savings of ENERGY STAR Connected Thermostats random sampling methods. More information on the sampling method may be found in the [Savings Method and Appendix](#).

These seeds are updated quarterly, ensure that the most up to date seeds are used when evaluating product metrics.
