ENERGY STAR®, a U.S. Environmental Protection Agency program, helps us all save money and protect our environment through energy efficient products and practices. For more information, visit www.energystar.gov.

Dear ENERGY STAR® Pool Pumps Stakeholders and Other Interested Parties,

The U.S. Environmental Protection Agency (EPA) has released the ENERGY STAR Pool Pumps Final Version 2.0 and Version 3.0 Specifications. The [Version 2.0 specification](#), [Version 3.0 specification](#), and [cover letter](#) are now available on the [ENERGY STAR Pool Pumps product development web page](#).

Questions may be directed to Abigail Daken at EPA, daken.abigail@epa.gov (202-343-9375), and Dan Baldewicz at ICF, dan.baldewicz@icf.com (518-452-6426). Please direct questions on DOE's standards and test procedures to Ashley Armstrong at DOE, ashley.armstrong@ee.doe.gov (202-586-6590).

Thank you for your support of the ENERGY STAR program.

This message was sent to you on behalf of ENERGY STAR. Each ENERGY STAR partner organization must have at least one primary contact receiving email to maintain partnership. If you are no longer working on ENERGY STAR, and wish to be removed as a contact, please update your contact status in your [MESA](#) account. If you are not a partner organization and wish to opt out of receiving emails, please contact EnergyStarProducts@energystar.gov. Unsubscribing means that you will no longer receive program-wide or product-specific emails from ENERGY STAR.
