

LEARN MORE AT
energystar.gov

ENERGY STAR®, a U.S. Environmental Protection Agency program, helps us all save money and protect our environment through energy efficient products and practices. For more information, visit www.energystar.gov.

Dear ENERGY STAR® Stakeholder:

Please visit [here](#) for important correspondence from the U.S. Environmental Protection Agency (EPA) concerning the final recognition criteria for ENERGY STAR Most Efficient 2020. On the [ENERGY STAR Most Efficient 2020 Criteria Development web page](#), you will find the final recognition criteria documents for fourteen eligible product categories, the EPA cover memo, and a stakeholder comment summary with EPA response. The proposed criteria for Dehumidifiers will be shared with stakeholders this fall. The updated HVAC application will be available by January 1, 2020.

Please contact MostEfficient@energystar.gov with any questions.

Thank you for your continued support of ENERGY STAR.
